

Austin’s Collaborative Hub for Culinary Business

The Cook’s Nook is a community of culinary professionals working to create businesses, programs, and policies that are profitable, sustainable, equitable, and engaged. We provide people involved in the food industry – from CPG entrepreneurs to global companies, from school districts to municipalities to elected officials – with what they need to succeed.

Grow. Make. Serve. Share. Connect.

For **ENTREPRENEURS, WE GROW...**

Your Vision, Our Know-How

The Cook's Nook is an innovative incubator for entrepreneurs, start-ups, and small businesses, providing shared production space and business development opportunities to help Austin-area artisans, CPG businesses, and others grow their culinary companies – and we're organic-friendly!

We leverage food creativity, business innovation, entrepreneurial enthusiasm, and shared space to help you grow your culinary company your way. Since our 2017 inception, we've incubated almost 75 culinary businesses that are successfully catering, delivering to homes, or being sold at local and national stores.

For **COMMUNITIES, WE SHARE...**

We offer programming to help food professionals hone essential business skills and to help amateur chefs explore the culinary arts. We also sponsor food-centric events to help promote a diverse and inclusive culinary community.

For **COMPANIES, WE MAKE ...**

From Palate to Profit

The Cook's Nook is a trusted consultant for companies and brands seeking to bring entrepreneurial processes into their corporate environment, as well as for those visiting Austin. For corporate brands, we're the perfect partner to help you adapt and adopt the best of entrepreneurial and technology processes, and grow your business through rapid, innovative change. And for culinary companies visiting Austin, we're a proven provider of organic-friendly services, support, and space.

For **IMPACT, WE CONNECT...**

The Cook's Nook is a champion for diversity and policy, actively engaging with other organizations essential to Central Texas' food ecosystem, helping ensure food policy, justice, access, and resilience remain high on local decisionmakers' lists of priorities.

For **ORGANIZATIONS, WE SERVE ...**

Serving Up Food Security

The Cook's Nook is Austin's first locally-owned food-services company, supporting government organizations, school districts, agencies, and nonprofits. Currently, we're working with more than 28 Central Texas groups to serve almost 3,000 nutritious meals daily to our neighbors in need.

Mosaic Meals by The Cook's Nook are fully cooked meals-to-go

that are nutritious, affordable, and convenient. These ready-to-eat meals are prepared by food-service professionals, and designed to provide healthy meal options that are inclusive, creative, and chef-led. They are delivered to municipalities, school districts, nonprofits, and convenience stores, to support food-insecure communities and families.
